* Courses must be selected from the Limited List of General Education courses or be equivalent transfer courses.

Secondary Education students should see the designated Secondary Education advisor in the subject area department in order to declare a major. For example, students planning to teach English should see the Secondary Education English advisor in the English Dept. In addition, students must also see the Secondary Education Program advisor in order to declare their concentration in Secondary Education.

Please note: When selecting a Secondary Education major, refer to the Secondary Education program listing in the university catalog for the list of approved subject areas.
